

Olympic College Campus

EXPECTATIONS

- ◆ YOU are the focus of this event. It is important that you be respectful, learn something new, and have fun.
- ◆ Mind your manners. Generally, everything you learned about playing nice in the sandbox applies here.
- ◆ Leave it better! Clean up your areas. All of them. Every time.
- ◆ Choose the breakout sessions you will attend **and go**. It's okay to change your mind or get lost. If you need help, ask any adult with a bright green name tag.
